## ACKNOWLEDGEMENT

This thesis could not have been made a reality without the encouragement from a lot of people.

I wish to express my profound gratitude to my supervisor, Dr. Prince K.E. Obaitan, whose scholarly guide led to the successful completion of this study.

My deepest thanks go to my parents who defiled all odds to make this a reality. To my wonderful sisters Evelyn and Vivian who were a source of encouragement.

My appreciation equally goes to my H.O.D. Dr. A.A. Anyebe whose pragmatic leadership has transformed the department and impacted positively on the students. The contributions of the entire staff of the department are highly acknowledged. I will not fail to mention Prof. I. Abdulsalami, Prof. A. Halidu, for the strategic role they played in the course of the programme and also the entire staff of National Poverty Eradication Programme (NAPEP), Kaduna State for this research work.

## ABSTRACT

This study entitled “An evaluation of NAPEP in Sabon Gari Local Government, Kaduna State” is intended to examine the activities of NAPEP and to verify the extent to which NAPEP has affected Socio-economic wellbeing of the citizens in Sabon Gari Local Government. A hypothesis was formed based on the standard of living of the people in Sabon Gari Local Government to guide the work. Simple percentages and tables were used to analyse the data obtained in assessing the effects of the programme in various parts of Sabon Gari Local Government.
